

### **2006 Viognier**

Our Viognier is a combination of warm weather fruit obtained from Crawford Vineyard in Prosser, WA and cool weather fruit from Le Beau Vineyard in Sherwood, OR. This combination brings forward the classic floral aroma of the Viognier grape as well as the light, grassy notes that lend it a general freshness. Despite its very low residual sugar of 0.45, the higher alcohol helps maintain just the right amount of “sweetness”. A luscious mouth-feel and notes of pear, melon and citrus make this a very enjoyable wine to drink.  
(Screwcap)
